WEB/COMPUTER EXPERIENCE

2006-Present Web Designer. College of Musical Arts. Bowling Green State University, Bowling Green, Ohio.

Design, test and implement all aspects of the College of Musical Arts web site (currently over 600 pages and 2400 assets). Implement style guide for college site. Oversee MidAmerican Center for Contemporary Music web site and web designer. Design graphics as necessary. Use Percussion Software's RhythmX system for some maintenance of pages, Dreamweaver for other pages.

2002-Present Coordinator and Web Programmer. The Arena Online Game. Toledo, Ohio.

Design, test and implement new rules, policies and procedures. Program and maintain web site that spans over 1000 pages. Maintain web server remotely (server located in Columbus, Ohio). Schedule and coordinate support staff of ten volunteers and community leaders across three continents and eight time zones. Regularly speak with community members to provide a positive experience. Mediate in disputes between community members and community leaders. Design marketing campaigns focused on digital and gaming communities.

1999-Present Lead Designer/Programmer. Purple Frog Press, Toledo, Ohio.

Design, test and implement policies and procedures for publishing, computer programming, design and production company. Design, program, and maintain company web site. Maintain remote web server (server located in Columbus, Ohio). Maintain network of four computers (one Windows XP and three Linux machines). Investigate new music offerings in the area to find: performers for composers' works and new composers to add to the publishing area. Maintain contact with musicians and educators to promote new music through the region (Southeast Michigan and Northwest Ohio).

OTHER PROFESSIONAL EXPERIENCE

2005-2006 Interim Head of Course Reserves. University Libraries, Bowling Green State University, Bowling Green, Ohio

Full responsibilities for scheduling and hiring student workers for the reserve room (9-11 students at any given time). Train and guide student workers. Main contact for faculty interested in reserve materials. Place and remove all reserve materials to/from system, including online, electronic reserves. Create and maintain bibliographic and item records in proprietary database. Help maintain user record database.

2004-2006 Graduate Student Supervisor. Access Services Department, University Libraries, Bowling Green State University, Bowling Green, Ohio

Supervise all aspects of library circulation and the front desk. Assist patrons on a regular basis to provide high levels of service. Troubleshoot issues with Mac laptops, borrowed materials, and lost/missing items. Help manage patron and item record databases.

2005 Special Projects. Music Library, University Libraries, Bowling Green State University, Bowling Green, Ohio

Assisted patrons at listening window. Served recordings and restricted access materials. Used CD, Cassette and record carols and the associated computer system. Sorted records and CDs. Secured CDs with anti-theft devices.

2005 Percussion Coordinator. Threshold Electroacoustic Music Festival. Bowling Green State University, Bowling Green, Ohio

Coordinated all aspects of percussion use during the three-day festival. Ensured access to best possible equipment and necessary accessories.

1999-2003 Percussion Equipment Manager. Eastern Michigan University, Ypsilanti, Michigan

Managed inventory of medium-sized percussion program (including four sets of timpani, six marimbas and three vibraphones across two buildings). Maintained and repaired equipment as necessary. Rented and drove equipment trucks as necessary.
